

AUTHOR AND COMMUNICATION EXPERT

Laura Lyles Reagan

For more than 30 years, Sociologist Laura Lyles Reagan has worked in youth development and parent education. Her approach, called co-creation, helps teens and parents grow the skills they need for positive relationships.

LAURA LYLES REAGAN, THE TEEN & PARENT RELATIONSHIP WHISPERER, HELPS TEENS AND PARENTS BUILD POSITIVE, EFFECTIVE, MORE SATISFYING RELATIONSHIPS WHILE HELPING TEENS PREPARE FOR THEIR FUTURE.

Laura Lyles Reagan, MS is a sociologist specializing in interactionism, communication dynamics and the sociology of childhood and adolescence. She is a former instructor in the Sociology of Childhood and Adolescence at the University of Texas Rio Grande Valley.

Her original research, "Dynamic Duos," about adult mentor and parent impact on youth and teens was featured in the Journal of Applied Social Science, 2013.

Laura's teen and parent coaching service has trained teens, parents and parent educators nationwide. Her youth development career spans service in Mexico City as a youth substance abuse counselor to non-profit management.

She conducts workshops on hot topics such as teen-parent communication, substance abuse, bullying prevention, and teen suicide prevention.

Se habla espanol.

INTERVIEW TOPICS

- How to talk so your teen tunes in.
- How to listen so your teen "opens up."
- Ways the differences between teen and parent culture can be negotiated for more satisfying relationships.
